- Clubs from the same association cannot be drawn against each other.
- Winners and runners-up from the same group cannot be drawn against each other.
- The seeded teams play the return leg at home.

Draw procedure

The balls containing the names of the unseeded teams will be placed in one bowl and the balls containing the names of the seeded teams will be placed in another bowl.

A first ball will be drawn from the bowl containing the unseeded teams. The team drawn is placed as the home team of match 1.

A ball will be drawn from the bowl containing the names of the seeded teams to complete the match 1 tie. The team drawn will be placed as the visiting team of match 1.

This procedure will be repeated for the remaining matches (2 to 16).

Should the team drawn be from the same association as the home team in that tie, the team will automatically be transferred to be the visiting team of the next tie and another team will be drawn into the free position of the current tie.

Should a seeded team and an unseeded team from the same association be remaining in the two draw bowls when it comes to draw tie 15, the following procedure will ensue: a team will be drawn from the bowl containing the unseeded teams and will be placed as home team of match 15; the remaining three teams in the two bowls will be allocated to the three remaining positions in ties 15 and 16 in accordance with the conditions of the draw as specified above.
